A framework for policy-making, institutional change and social impact

What Human Security is?

- **Human Security (HS) is a comprehensive approach, a process based on several dimensions that focuses on people's security .**

- **HS reflects basic needs, equity, aspirations and opportunities.**

- **Former UN SG Boutros Ghali called for : "An integrated approach to HS to address the deepest causes of conflict : economic despair, social injustice and political oppression" (1992).**

- **Sadako Ogata, former UN HC for Refugees, said that "HS concerns both protection and empowerment... People take an active role in making their lives and communities more secure" (2015).**

Human Security Concept

The Concept

- **Human Security is about People. It is about their safety, economic and social wellbeing, respect for human dignity and worth**

- **HS approaches all issues related to the multidimensional global challenges from the perspective of their impact on people**

- **HS contains the motivational element and sense of direction to generate social transformation**

- **Protection of Human Rights and Fundamental Freedoms are the cornerstone of HS**

Human Security : Global Campaign

The Campaign (HS4A)

- **HS4A raises public awareness about the uniqueness of the HS approach**

- **HS4A is a hub for social transformation initiatives**

- **HS4A is a catalyst for bottom-up and top-down initiatives and collective action**

- **HS4A supports public diplomacy : community, cultural, economic, environmental, political, faith and science-based**

Strategic Rationale for HS4A

- **Interdependent and Integrated Approach**

- **Global relevance**

- **Complement to SDGs and points to Highest Priorities**

- **Support for Multilateralism**

- **Networking**

- **Partnerships and Fundraising**

- **Opportunities for Social Impact**

HS4A Accomplishments

- **The HS4A campaign, launched in September 2022 by the UN Trust Fund for Human Security and the World Academy of Art and Science, created a network that galvanizes organizations seeking to promote human security.**

- **HS frameworks have been adopted by a growing number of national, regional and international institutions. Parliaments and lawmakers are also applying it, even if only in a few states it is lawfully implemented.**

- **Civil society organizations, business corporations and faith-based organizations, with no distinction, are joining the campaign.**

- **Raising Public Awareness: Generated unprecedented mainstream press and social media coverage.**
